COLOREMOTION SYSTEM

è il sistema di organizzazione cromatico di MaxMeyer basato sulle caratteristiche emozionali e percettive del colore.

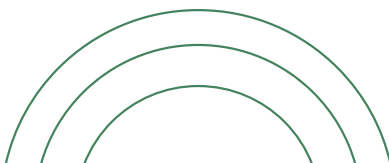

MaxMeyer interpreta il colore come protagonista di ogni ambiente, capace di creare il proprio stile e determinare un'atmosfera che influisca su **comfort, benessere** psicofisico, **accoglienza** e **vivibilità** in ogni ambiente della casa.

Fra i **1428** toni della ColorEmotion Collection ne abbiamo selezionati **135**, raggruppati in **45 Armonie** concepite quali suggerimenti d'abbinamento per creare progetti d'interior di grande stile, eleganza e personalità, sempre in linea con le attuali tendenze colore.

Quando in armonia fra loro, pareti, pavimenti, mobili e tessuti danno vita agli ambienti interni grazie alla propria policromia. Con le 45 proposte di abbinamento, MaxMeyer semplifica il coordinamento dei colori facilitando il connubio fra i toni dei complementi d'arredo e quelli delle pareti.

In ogni uscita di questo magazine scopri una selezione di Armonie che ti suggeriscono come abbinare ogni volta un colore in particolare da cui trarre ispirazione per rendere i tuoi ambienti unici e in linea con i tuoi gusti!

Attraverso i cerchi concentrici hai una prima idea di come questi toni si abbinino perfettamente fra di loro.

L'armonia dai toni nobili
dove sole e terra
omaggiano un verde che
è al contempo foglia,
cielo e mare. Ecco che la
formula base della natura
prende forma e vita sulle
tue pareti

Chiudi gli occhi e pensa
di immergerti in una
foresta dove i sensi
trovano la giusta
soddisfazione: il verde
guida mentre gli altri
accompagnano verso
nuovi orizzonti
